

Conservation & Restoration

Our skilled Craftsmen have carried out many projects where the history and integrity of our most historic properties are satisfied by close working relationships with our clients.

Work ranges from ecclesiastical Restoration, whether it's structural or internally, to Grade Listed Buildings and Monuments.

From sliding sash windows, original floorboards to antique furniture, the high calibre of our craft and traditional techniques ensures period joinery is maintained for generations to come.

Hare & Ransome Ltd are proud to be members of York Consortium for Conservation & Craftsmanship.
